

What We Do

For many of us, our homes in Mill Creek Towne are where we would like to grow older and face the challenges of aging, illness, disability, and loneliness amid caring neighbors. **Mill Creek Village (MCV)** is a charitable, nonprofit community service organization of volunteers willing to give their time and effort to help their elderly neighbors (60 years of age and older) to maintain their independence and “age in place.”

Since 2013, MCV volunteers have demonstrated compassionate support for older neighbors in need. We also have worked to foster a caring, socially connected community across all ages by hosting annual inter-generational neighborhood events and activities.

Among the services we offer are:

- Transportation to doctor and other appointments;
- Grocery shopping and some meal preparation;
- Friendly home visits, regular phone contacts;
- A bi-weekly electronic community newsletter;
- Community-wide social events; and,
- A Welcome Wagon for new neighbors.
